

### ADT Protection

- Yard sign - burglars see the sign from the street and choose another house.
- Warning decals - alarm system window decals provide strong deterrence.
- Loud siren - the siren immediately warns you and your family of any attempted break in - and may send the intruder running.

**24 hour monitoring** - ADT can send the authorities to your home if alarm is not disarmed, giving you quick access to police and other emergency services. Don't leave your home and family unprotected from burglars and other intruders. Enjoy the peace of mind that comes from making your home and family secure - especially with an affordable burglar alarm system and home security system monitoring by ADT. Order your home security system today.

\*\$99.00 Customer Installation Charge.

# WHY American Digital Technologies & ADT?

## Why ADT?

Whether you ponder the issue much or not, home security is essential in the age we live. We all have to take it upon ourselves to secure our humble abodes from those who mean us harm.

In reality there's no way of knowing when or why a sudden break-in could occur. Even those who reside in nice neighborhoods can be afflicted with crime. One way of arming your home from intruders is with American Digital Technologies' security systems.

## With ADT & American Digital You're Always Connected

At ADT, we have a comprehensive network of dedicated Customer Monitoring Centers backed by powerful equipment and trained professionals. So if connections to a home security alarm monitoring center are interrupted, one of our other centers takes over promptly, giving us the ability to offer continuous security through our advanced alarm monitoring service and ultimately providing you with peace of mind.

### Advance Technology 24- 7 Hour Protection.

ADT Customer Monitoring Centers help protect the people and things you value most, 24 hours a day, 7 days a week. They form a comprehensive network of interconnected command centers strategically located throughout the United States. This gives ADT the ability to offer you continuous home security alarm monitoring, and it's just one of the reasons why ADT is the #1 security company in America.
